This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

**Preparation of Federal and Requested State Income Tax Returns:**

- Returns are prepared from information that you provide to us.
- A tax organizer is provided to help you gather the necessary information. You may download from our website at [www.steadmantax.com](http://www.steadmantax.com) under the download tab.
- Your use of the organizer will assist in ensuring that all pertinent information is included.
- We will not audit or otherwise verify the data you submit, but may request clarification and supporting documents for certain items.
- All returns will be prepared for electronic filing unless you instruct us otherwise.

**Your Responsibilities:**

- Provide all the information required for the preparation of complete and accurate returns.
- Retain all the documents, canceled checks and other data that support the amounts claimed in the return for at least three years after the return is filed (in certain situations, it will be necessary to maintain documents for longer periods).

- You have the final responsibility for your income tax returns.
- Discuss with us your requirements for filing state income tax returns.

**Our Fees:**

- Tax return preparation fees are typically based upon the forms filed, or on a combination of the time required for preparation, out-of-pocket expenses, and the complexity of the issues involved in your return.
- If requested, we can provide an estimate of the total fee before beginning our work.
- Invoices for tax return preparation are due and payable upon delivery of the return.
- If you discover that you have omitted information that should be included in your return after the return has been completed, please notify us immediately. Depending upon the item omitted, there may be an additional fee for making corrections.
- Preparation fees do cover limited assistance and consultation during the year.
- Fees charged for tax return preparation do not include audit representation or preparing materials to respond to correspondence from taxing authorities.
